

**CUSTOMS, EXCISE AND PREVENTIVE SERVICE
(C E P S)**

PUBLIC NOTICE

**INTRODUCTION OF ELECTRONIC CLEARANCE OF GOODS AT
THE CEPS KULUNGUGU STATION**

002/009

The Customs Excise and Preventive Service announces for the information of Traders, Declarants, Agents and the Public at large that the existing manual clearance procedures at its Kulungugu office will cease to operate with effect from 18th May 2009.

2. From this date, Traders will be required to use the Front End System (FES) to input the Bill of Entry and all details of attached documents. Traders will receive payment advice which will be presented to the Collecting Banks in the settlement of duties and taxes and all other charges which are due.

3. These arrangements are part of the computerization programme to make clearance processes transparent, easy and faster for trade facilitation and enhanced revenue collection

4. It is expected that traders will avail themselves of the facility and comply with all requirements.
